

CURRICULUM VITAE

PERSONAL INFORMATION

Name	Silvia Molinari
Address	via Garegnano 41/a – 20156 Milan, Italy
E-mail / Skype	silvia.molinari@mondino.it / sil.molinari
Nationality	Italian
Date of birth	5 th December 1957
Fiscal Code	MLVSLV57T45F205K

WORK EXPERIENCE

Dates	1991 (May) – present
Name of employer	IRCCS C. Mondino Foundation, Pavia, Italy
Type of business or sector	Research hospital (“IRCCS”)
Occupation or position held	HEAD OF CONTINUING EDUCATION/TRAINING AND SCIENTIFIC LIBRARY COORDINATOR

Main activities and responsibilities

May 2009-present: head of the Training Office (CME-CPD provider)

1991-present: scientific library coordinator

2019-present: member of the Ecole Steering Committee for Health Education in the Lombardy Region

2015-present: member of the Bibliosan Network Management Committee (www.bibliosan.it) – Italian Health Ministry

2004-present: Bibliosan representative

2001-present: Board member, Italian Group of Documentalists in the Pharmaceutical Industry and

Biomedical Research Institutes (Gidif-Rbm -
www.gidif-rbm.org)

1992-2018: contact person for the Gidif-Rbm collective catalogue

2004-2009: Gidif-Rbm treasurer

2010-2019: Gidif-Rbm president

1998-2011: Member of the Lombardy Biomedical Library Service Management Committee (SBBL
www.sbbli.it)

1998-present: Lombardy Biomedical Library Service representative (SBBL)

1997-present: University "Single Catalogue" contact person (<http://opac.unipv.it>- University of Pavia)

Editorial roles

End of 2013-present: director of the Gidif-Rbm "Notizie" newsletter

2009-2017: editorial manager of the journal "Confinia Cephalalgica"

2009-present: website (www.mondino.it) content editing/publishing activity in areas of own expertise

2007-2020: director of the "Cefalee Today" newsletter (www.cefalea.it)

2007-2009: editorial assistant for the journal "Biomedical Statistics and Clinical Epidemiology" (www.bmscej.com)

2005-present: member of the Lombardy Association of Journalists (<https://odg.mi.it>)

2005-present: member of the editorial board of the Gidif-Rbm "Notizie" Newsletter and Website

1997-2017: editorial assistant for the journals "Functional Neurology" and "Confinia Cephalalgica", working directly with the publisher and with the webmasters of these journals' websites

1992-present: manages the publication of volumes/brochures relating to the Institute's activities

Research-related roles

1999-2009 (May): Ethics Committee (EC) technical-scientific secretariat coordinator, and EC secretary

OsSC-AIFA information system contact person
(www.aifa.gov.it/osservatorio-nazionale-sperimentazione-clinica)

Targeted Research Project 2005. Italian Health Ministry Neurology Portal. Network of centers of excellence in neurology and rehabilitation. In charge of the study and model for the online patient library initiative

Targeted Research Project 2003 Italian Health Ministry. Epidemiology of Guillain-Barré syndrome. Multicentre study. Supervision and training of staff in epidemiological questionnaire use and management, database organisation, use of special databases, methods for coordinating clinical centres etc.

Dates
Name of employer
Type of business or sector
Occupation or position held
Main activities and responsibilities

1987-1991 (April)
Istituto Tecnologie Biomediche Avanzate
National Research Council (CNR) - Milan
Research assistant
Coordination of prospective studies in the field of neuro-infectivology and general medicine.
Construction and checking of questionnaires, database construction, monitoring of clinical centres, data control, descriptive analysis/use of statistical software, checking reference lists/performing bibliographic searches

Dates
Name of employer
Type of business or sector
Occupation or position held
Main activities and responsibilities

Late 1980-1987 (August)
Istituto Neurologico C. Besta - Milan
Research hospital ("IRCCS")
Epidemiology technician
For case-control study interviews, questionnaire checking/management; questionnaire coding/use of standard coding methods; data entry/updating/control (specific databases); training of interviewers

EDUCATION AND TRAINING

Higher education

Bachelor's degree in philosophy (final mark 105/110)

Schooling

Artistic High School diploma (final mark 58/60)

COURSES

Dates
Organiser
Subject of the study training

2020
Gidif-Rbm / University of Pavia
Course on descriptive/inferential statistics/study designs/protocol drafting/critical review of articles

Date 2018-2019
Organiser PolisLombardia - Regione Lombardia (Lombardy Health Authority)
Subject of the study training Refresher courses/meetings on accredited CME-CPD

Date 2012
Organiser Cilea
Subject of the study training Course on how to create and successfully manage an online journal

Date 2002
Organiser Istituto di Ricerche Farmacologiche Mario Negri
Subject of the study training Course on evidence-based medicine

Date 2000
Organiser Italian Health Ministry
Subject of the study training Course: Clinical Trials Observatory

Date 1999-2000-2001
Organiser Regione Lombardia (Lombardy Health Authority)
Subject of the study training Courses on topics relating to ethics committee activity

Date 1991-'92-'93-'94 and 1998
Organiser Italian National Institute of Health (Istituto Superiore di Sanità-ISS)
Subject of the study training Courses on databases in biomedicine and research strategies

Date 1988
Organiser CNR - Istituto Tecnologie Biomediche Avanzate
Subject of the study training Course on epidemiology, statistics and data analysis

Date 1993
Organiser Cooperativa Archivistica e Bibliotecaria (CAeB)
Subject of the study training Course on scientific publishing

Mother tongue Italian

Other languages English: medium level, good understanding of written text / scientific terminology, adequate for bibliographic searches and information searching in the biomedical field and for exchanges with authors etc.

Teaching activity Training courses (including CME courses) both within the Institute and externally, on the conducting of bibliographic searches / assessment of scientific activity using the main biomedical databases and "ad hoc" portals; training of research technicians in data collection/management and instruments available in the epidemiological field.

Meetings and workshops

Organises meetings, workshops and courses on topics relevant to biomedical documentation, using the appropriate instruments, also in collaboration with the association GIDIF-RBM. Also participates in these events as a speaker/moderator.

Regularly attends meetings and workshops organised by others in the field of biomedical documentation, also a speaker or presenting posters.

Published work

Author/co-author and editor of publications in the fields of interest (see attachment)

The undersigned is aware that, pursuant to art. 26 of Italian Law 15/68, false declarations, falsification of documents and the use of false documents are punishable under criminal law and special laws. Furthermore, the undersigned authorises the processing of personal data, in accordance with the provisions of Law 196/03.

Pavia, 5 dicembre 2020
